## KOI | DINING TABLE II

KOI carp is a recurring symbol of Japanese culture, highly appreciated by its decorative purposes in water gardens, in Irezumi practice or most commonly, in tattoos. Its natural colour mutations reveal their capacity to adapt, just like the KOI rectangular dining table which fits in any modern home decor. The KOI scales from the sides of the rectangular dining table shine and reflect the sun on its brass surface. KOI shares the same sound of the Japanese word for love and affection, making the carp also a symbol of love and friendship which will be conveyed into a modern home decor.
