NIKU | FLOOR LIGHT

NIKU is the diminutive of Nikumaroro, part of the Kiribati islands group, known as Phoenix Islands. Surrounded by the depths of the Pacific Ocean, it's the beauty of the coral that makes NIKU floor lamp a rarity in contemporary lighting. Through its gold plated brass structure, 8 glass light globes emerge representing the wide diversity of ecosystems that inhabit this remote island. This contemporary lighting piece fills your modern home decor with exoticism, creating a live and bright ambience.
