IRIS | MIRROR

IRIS is a Greek goddess of the rainbow, messenger of gods, makes the connection between heaven and earth, between gods and humans. IRIS is also the name of the colored part of the eye that is more changeable and controls our perception about light, shapes and colors. The IRIS mirror reflects all this, working as a representation and a link capable to transport us to a unique set of emotions that includes a true contemplation of nature, enhanced through ebony veneer, details of gold leaf and the gloss beige lacquered, which reminds the wings of the goddess IRIS.
