CANYON | SCREEN

The Grand Canyon is located in the United States of America and it is one of the seven natural wonders of the world. Its valley was shaped by the Colorado River over thousands of years, while waters have been exposing the different layers that, once mixed, create a landscape with unique and beautiful colours. CANYON screen incorporates the beauty of this landscape through its brass finishes layers, bordered with aged gold nails. The different tones are given by applying an aged patina, brown patina and red patina on the brass surface. CANYON is the ideal screen for living rooms, completing a contemporary home decor by bringing nature's beauty and versatility indoors.
