

## INCA | ARMCHAIR

A piece of mid century modern furniture, INCA armchair was inspired by the legend of the Inca Empire, which had its roots in the highlands of Peru. Starting sometime in the 13th century, it was the last pre-Columbian empire in the New World. this mid century modern furniture piece covered in velvet brings back the intense colour of Inca's brilliantly weaved and colored cloths and the shape of the velvet armchair reminds us of the sculpted mountains in the landscape of Peru. Reflecting stories and feelings INCA armchair is a mid century modern furniture piece that invites you to travel through hstory and live the greatness of a remarkable civilization.
