

WALES | SINGLE SOFA

Some of the most impressive monuments of the Middle Ages, the medieval castles, can be found in Wales, often called the "Land of Castles". These private fortified residences were both offensive and defensive structures which provided control of the area immediately surrounding them. Wales single sofa was designed to provide the same feeling of protection in a living room set: a burgundy velvet sofa, with curvy back and arms, base in vintage brass and polished golden nails that will enhance both modern and classic living room sets. This jewel toned sofa will be the comfort fortress of your living room set.
