SIKA | ARMCHAIR

Fitting SIKA wingback chair in a modern home decor is suiting a blend of strength and elegance inspired in a deer specie rooted in Japan - where it is considered to be sacred. The most distinctive features of SIKA wingback chair are its reddish leather covered by brass tackles and the imposing arms and headrest, resembling the deer's fur and antlers. That's why SIKA fits a strong modern home decor: it transmits a statement of wildness, as well as protection. SIKA wingback chair is an imposing furniture piece that will add a special charisma to any modern home decor.
