

NAJ | RESTFOOT

Contemporary furniture pieces demand contemporary stories. Guatemala was the stage of one the most important discoveries in the twentieth century - the Naj Tunich, a cave rich in culture, heritage, history and values. All this richness is brought to urban tribes by NAJ rest foot, a strong contemporary furniture piece full of attitude with straight lines that will fit every interior next to an armchair, whether in a hotel project, a living room set or a bedroom. Be conquered by this self-assured contemporary furniture piece fully upholstered in cotton velvet.
